**Description**

BRAND NEW Honda BF20 standard shaft 4 stroke outboard engine. Model: BF20DK2 SHU Displacement: 350 cubic cm Cylinders: 2 Gear Ratio: 2.08 Kilowatts: 14.9kw Whether it's for commercial or leisure use, when the 4-stroke spins into life you'll notice how quiet it is as you roll on the power. And with the exclusive Honda rubber mount device that soaks up the vibrations, it feels smooth too. These high-output outboards will push you and your passengers nicely through the water when you're out for a day's work, or cruising and fishing. Now, that's something worth talking about.
